1. IN DISCUSSION OF EXPERIMENTAL PANA TRANSMISSIONS, BBC'S

STAT

[] SAID THEY ARE SAMPLING KHARTOUM PANA WITH VERY POOR
RECEPTION. THEY HAVE EXCELLENT RECEPTION OF LUSAKA PANA, BUT HE
WAS UNDER IMPRESSION THAT THE LUSAKA CASTS ARE BEING COVERED
BY MH OR AB. WE HAVE NO RECORD OF ANY REGULAR PANA COVERAGE OTHER
THAN DAKAR PANA (AB714 MAY). HAVE WE MISSED SOMETHING? ?

2. LARGELY GARBLED KHARTOUM PANA CAST 5 JULY CARRIED ITEMS
SLUGGED UNA/PANA AND ZIANA/PANA UNDER GENERAL HEADING OF "EAST
AFRICA REGIONAL POOL" -- EARP (THERE'S A SPLENDID ADDITION TO
NEXT EDITION OF "SELECTED PRESS AGENCIES" IF YOU INCLUDE POOLS).
WE HAVE HAD NO INDICATION OF OTHER REGIONAL POOLS BUT ANTICIPATE
CENTRAL, SOUTHERN, ETC SHOWING UP.

3. SHOULD SOURCE LINES FOR PANA CASTS READ "(CITY) PANA IN
(LANGUAGE)" WITH "POOL ITEM" (OR "EAST AFRICA REGIONAL POOL") AS
SUBSLUG AND "UNA/PANA" IN DATELINE? 07/1134Z JUL ? Sw
